On October 14, 2008 the Examiner, Hong Cho, phoned our office to inform us that no response had been received by the USPTO to the Non-Final Office Action dated April 8, 2008. In reviewing the situation, we noted that our filed response has not been entered into the PAIR system in addition to not having been received by the Examiner. We concluded that it has been lost in the USPTO since the receipt postcard was returned to us. On October 15, 2008, we phoned the examiner's supervisor, Wing Chan, to ask for advice on the correct manner to resubmit the lost paperwork. He instructed us to resubmit copies of the original paperwork and the stamped return receipt postcard along with a letter of explanation.

We are therein resubmitting the above listed items for consideration. Included are:

1. a copy of the originally mailed "Further Request For Reconsideration" dated June 23, 2008.
2. a copy of stamped return receipt postcard which was returned to the addressee.

Respectfully submitted,

Date: Oct. 15, 2008
